## Reviewer #1:

- (1). The research contribution is not yet clear
- (2). The research gap is added to the existing empirical data in the research object
- (3). Pay attention to writing a list of figures and tables
- (4). The implications of the findings please include the recommendations of the research results

## Reviewer #2:

- (1). Complete each author's email
- (2). The theory is very good
- (3). Use Mendeley to do citations

Best Regards,
