Dear Darwin Lie,

Thank you for your email.

We have seen your request,

For your information, journal uses normal email procedure to do review process and intimate the decision of submitted manuscript.

Starting from May 2021, we have changed our submission system and upgraded our website, in our new system author's can create login and track their submission anytime, unfortunately before 2021 May we gave followed only email conversations only. Those data's are deleted every 3 months. So we have searched our databases also. We can't find any review comments which was given during the submissions.
